

What is the Surviving Winter Grant Programme?

The Surviving Winter Fund has been created through the generosity of local people who have donated their Winter Fuel Payment or made a donation to help elderly people in the West of England during the winter.

The Fund aims to support older and vulnerable people who struggle during the Winter with fuel poverty, loneliness and isolation.

What is Quartet Community Foundation?

Quartet Community Foundation manages funding on behalf of individuals, companies, charitable trusts and statutory agencies. This enables us to make grants to charitable groups in the West of England. We have many grant programmes to which groups can apply, the Surviving Winter Grant Programme is one.

Before applying.

Please read these guidelines carefully and read the 'Before Applying (Essential Information)' section on our website.

What can you apply for?

To be eligible for a grant from the Surviving Winter Grant Programme, Applicants must be based and working in Bristol, Bath & North-East Somerset, North Somerset or South Gloucestershire.

Your work/activity must benefit older people who are disadvantaged. The beneficiaries may be disadvantaged due to poverty, ill health, disability, location or culture. The work/activity should reflect the concerns and priorities of the target beneficiaries and fit well with existing community provision.

We are particularly interested in projects which:

- Address the immediate needs of older people in crisis fuel poverty (those older people likely to struggle to afford to heat their home adequately).
- Provide advice/ information to prevent older people from experiencing problems with crisis fuel poverty.
- Prevent older people from becoming isolated during the winter months.
- And ensure that lifeline activities continue or increase during the winter months (for example, provision of a warm meal).

Who can apply?

Surviving Winter Grants are targeted at organisations with charitable aims. There are no limits to the size of organisation which may apply for a Grant. However, if an applicant organisation has more than 8 months of its annual expenditure in unrestricted reserves then its application will be considered a lower priority for funding. If your organisation is holding significant financial reserves, you will need to make it clear why these reserves cannot be used to cover the cost of the activity.

Organisations can apply to support older and vulnerable people who struggle during the Winter with fuel poverty, loneliness and isolation. Priority will be given to projects supporting people aged 60 and over. Whilst organisations can apply for grants towards regular services, we are particularly interested in supporting activities that you undertake specifically to help elderly people cope during the winter.

How much do we award?

The maximum amount awarded is £2,000.

When can you apply?

Due to the timing of donations into the Surviving Winter Fund, Organisations should contact Quartet on applications@quartetcf.org.uk or call 0117 989 7700 to discuss their potential project with Andy O'Sullivan, Julie Newman, Deb Joffe, or Claire Wynne Hughes.
