

## Boost your giving by 50% with the Scantlebury Challenge

We all want to ensure our charitable donations effectively support those who are most vulnerable, facing disadvantage, and experiencing inequality. By leveraging Quartet's fantastic opportunity for 50% matched giving, your generosity and commitment can transform lives and create lasting positive change in our communities.

### Enhancing your donation

New and existing fund holders can take advantage of 50% matched giving thanks to a £1 million gift from the Scantlebury Estate. Simply put, for every £2 you donate, an additional £1 will be added (while funds last).

### How it works

**New to Quartet?** We will match any donation between £25,000 and £200,000 with an extra 50% to set up your endowment fund. Gifts can be pledged now to secure the matched funding and must be donated by 31st March 2027.

**Already a fund holder?** We will match any addition to your fund between £10,000 and £100,000 with an extra 50%.

Any Gift Aid on donations will be made available for immediate distribution as grants.

*"Quartet stands out as the most professional charitable organisation I've worked with. Their extensive knowledge and long-standing relationships in the sector allow me to concentrate on the allocation and impact of my donations."* Chris May, fund holder

For small charitable groups, sustained and modest funding can make a significant impact. The Family Centre (Deaf Children) received a grant of £985 to support families living with hearing loss through outdoor activities and sports.

*"For our Deaf two year old, it provided a chance to run about and have fun with lots of other kids—some wearing hearing tech, some not; some Deaf, some not; some signing, some not. It makes everything so normal, and this is so important for his Deaf identity because he's very conscious".* Parent, Family Centre (Deaf Children).
